

How to get an Exalate Instance License

Last Modified on 09/28/2023 7:10 am EDT

This page details how you can configure the instance license for Exalate.

1. Navigate to the **License Details** Menu in the Exalate Admin Console

2. Click **Buy Instance License**

License Key 

BUY INSTANCE LICENSE

Purchase a standard Exalate instance license. Each side of the connection will require a valid license.

BUY LICENSE

3. Input card details

Please enter your organization information and then proceed to checkout. The subscription will be activated once the payment is processed.

Organization Information

Email
