

Problems during Installation using Yum

Last Modified on 01/15/2026 2:52 pm EST

Problem

When you try to install Postgres onto Oracle Linux the following error occurs:

Error detail:

```
Error: No matching Packages to list
```

Cause

yum fails while installing Postgres onto Oracle Linux according to [this guide](#)

```
yum list postgresql*
```

Solution

You can download and install the necessary packages from the [Postgres RPM repo](#).
