

What to do if you purchase a license from the Atlassian Marketplace

Last Modified on 01/15/2026 2:07 pm EST

When registering your Exalate instance, you get an evaluation license. This license needs to be updated once you buy an instance, or a network license. This article shows how to update the Exalate license key if you purchase Exalate from the Atlassian Marketplace.

1. Navigate to the **License Details** Tab in the Exalate Admin Console.

2. Click the edit icon in the License Key field.

License Details
