Zendesk - Version 5.1.3

Last Modified on 01/15/2026 11:12 am EST

Released for ZENDESK on **July 2, 2021**

Product

In this release, we've added a possibility to modify personal billing information with the help of the integrated Stripe Customer Portal. With this feature, you can modify current billing information, add new payment methods, select a default payment method, generate invoices for the payments.
